Forum Organic Electronics

Colloquium Organic Electronics

Summer Term 2012

SPONSORED BY THE
Federal Ministry
of Education
and Research

The Forum Organic Electronics is delighted to announce the sixth series of lectures for the 2012 summer term.

Once again the lectures, which are held by well-known research experts and this year's winner of the Forum Organic Electronics Publication Award, promise to be highly informative, stimulating and entertaining. They will cover a wide range of fascinating topical subjects in the field of Printed and Organic Electronics.

The colloquium takes place on the stated dates

from 4:00 to 6:00 p.m. CEST
in the auditorium on 1st floor at
InnovationLab GmbH,
Speyerer Straße 4, 69115 Heidelberg.

The talks conclude with a lively discussion on both presentations and a convivial evening with beer and pretzels.

Attendance of the colloquium is open to public, free of charge and does not require registration.

We are looking forward to an interesting course of lectures and your numerous attendance.

Dr. Martin Raditsch

Prof. Dr.-Ing. Wolfgang Kowalsky

Dates

April 24, 2012

Process-Structure-Property Relationship of Polymer-Fullerene Bulk Heterojunction Films for Organic Solar Cells

Benjamin Schmidt-Hansberg

(University of Cambridge, Eight19)

-Forum Organic Electronics Publication Award Winner-

Interface Governed Properties of Semiconductor Devices: Comparison of Organic and Inorganic Systems

Prof. Wolfram Jägermann

(Darmstadt University of Technology)

May 21, 2012

Wrinkles and Folds as Photonic Structures in Polymer Solar Cells

Prof. Lynn Loo

(Princeton University)

New Materials for Printed Polymer Electronics

Prof. C. Daniel Frisbie

(University of Minnesota)

June 26, 2012

Dye Solar Cell Development for Organic Based Photovoltaics at Fraunhofer ISE

Dr. Andreas Hinsch

(Fraunhofer Institute for Solar Energy Systems ISE)

Materials Considerations for Flexible Low-Voltage Organic Transistors and Circuits

Dr. Hagen Klauk

(Max Planck Institute for Solid State Research)

How to reach InnovationLab GmbH

Arrival by car

The entrance to the basement garage is located on Czernyring heading towards Speyerer Straße at the beginning of the right turning lane (navigation system: Czernyring 22). Labeled parking areas are located in the basement level 2.

Arrival by bus

Bus line 33 via Emmertsgrund to stop *Montpellierbrücke*. Line 717 via Speyer, or line 720 via St. Leon to stop *Speyerer Straße*.

Arrival by train

Take the right exit and walk up the road to the right hand side. Pass Ibis Hotel and cross the Montpellier bridge towards the tall building with the *Reutax* sign on top.
